

NONSUCH OLD GIRLS' ASSOCIATION
Chairman: Mrs Maureen Adamson
21 South Drive, Cheam, Surrey, SM2 7PH

January 2010

Dear Member

The next meeting of Nonsuch Old Girls' Association will be on 19 March in the Sixth Form Common Room at 8pm. As usual parking will be available in the main playground and coffee will be served from 7.30pm. Mr Fishwick is kindly going to tell us more about the universe and will take us to see the observatory. Those who missed his last visit will hopefully be able to come on the 19 March, as we had a most interesting evening on his previous visit in 2006.

Our last meeting in September was very well attended when we gave Mrs Espejo a farewell gathering on her retirement as Headmistress of Nonsuch. She was delighted to see so many of her former pupils and hopes to meet them again at future meetings.

Following my request for news of old girls in my last newsletter, I have received a letter from Valerie Stirling nee Roger who was at Nonsuch in the early 1940's. She remembers her friendship with Hazel Baldwin and how they enjoyed caring for the guinea pigs and fish pond in the 'quad' with Miss Henry. They also enjoyed playing tennis and netball but had to make frequent trips to the air raid shelters. Sadly Hazel died in the USA last year but they had continued to meet over the years.

Following the success of the Supper Party in May last year, we plan to have the party on Friday 7 May this year.

Please continue to keep me informed of any changes of address and I look forward to seeing as many members as possible on the 19 March.

Yours sincerely

MRS MAUREEN ADAMSON
CHAIRMAN
